

Subject Overview 2023 - 2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Nursery	Science: Senses, materials	Science: Senses	Science: Forces- magnets	Science: Forces- magnets	Science: Forces, animals	Science: Plants, material changes, light and shadow, magnets
Reception	Science: Seasonal Change Autumn Forest School	Science: Seasonal Change Autumn to Winter Forest school	Science: Seasonal Change Spring Explore natural processes- freezing and melting Animals, plants	Science: Weather, seasonal change. Explore natural processes- growing plants from seed	Science: Seasonal Change Summer Natural world- animals and plants Identify and name mini beasts and plants	Natural processes- heat Water- floating and sinking
Year 1	Science: Seasonal Change Autumn and Winter Science: Animals including humans		Science: Everyday materials	Science: Seasonal Change Spring, Animals including humans	Science: Seasonal Change Summer, Plants	
Year 2	Science: Use of everyday materials	Science: Animals Including Humans	Science: Animals Including Humans	Science: Plants	Science: Living things and their habitats	
Year 3	Science: Light	Science: Rocks	Science: Animals including humans		Science: Forces and magnets	Science: Plants
Year 4	Science: Animals including humans	Science: Animals including humans, living things and their habitat	Science: Sound	Science: Living things and their habitat	Science: States of matter	Science: Electricity
Year 5	Science: Properties and changes of materials		Science: Forces	Science: Living things and their habitat	Science: Earth and space	Science: Animals including Humans
Year 6	Science: Electricity, light	Science: Animals including humans	Science: Animals including humans	Science: Light	Science: Living things and their habitat	Science: Evolution and inheritance
