

Key Topic Knowledge

To have a developing positive attitude about themselves and others.

Knowledge Organiser – All about me

Key learning this half term

PSED – Jigsaw

Introduce zones of regulation

Phonics – We will review our Phase 1 phonics skills and begin to learn Phase 2 phonics.

Literacy – We will listen to stories, joining in and making predictions. We will practise writing letters including our names. We will work on crossing the midline to help us become good writers.

Maths – We will learn about numbers to 5 and will learn about 2D shapes.

Understanding the world –

We will look at seasonal change. We will learn about things from the past and present. We will learn about homes all over the world.

Creative –

We will draw and paint faces. We will practise

Home learning experiences

Please share with us any photos of family and your homes so children can talk about them.
